

## Folding Mobile Gantry

### Features

- Folding design, easy to store, reduce space occupation when not in use
- Easy to carry, the folding box can be dragged by one person
- All-aluminum alloy frame to ensure sufficient strength and good self-weight
- Designed for outdoor use, all parts are corrosion and rust resistant
- Wide range of applications, assembly workshops, maintenance workshops, outdoor emergency maintenance, etc.
- Improve work efficiency, reduce worker input, reduce worker fatigue, and increase work efficiency
- Reduce production costs, one multi-purpose.

Widely used in mold manufacturing, auto repair factory

Widely used in mold manufacturing, sites heavy,object

Widely used in lifting and handling work handling
