

## EX Type Explosion-proof Chain Block

### Features:

- Copper based explosion-proof material manufacturing, integrated thickening design, reliable structure, beautiful appearance
- Multi-point support structure, more reasonable force of transmission system, flexible operation, low failure rate
- The hand zipper disc cover adopts special edge rolling technology to increase the strength and ensure that
- Even when the hand zipper is tilted and pulled horizontally, it does not produce a stuck chain
- The products are suitable for petrochemical, coal mine, oil field, natural gas chemical plant occasions and explosive
- Warehouses and workshops, such as gunpowder industry, food chemical fiber industry, fertilizer industry and other industries

Model	Capacity (t)	Standard Lift (m)	Test Load (t)	Effort required to lift max load (n)	No. of falls of load chain	Load chain diameter (mm)	Dimension (mm)				Net Weight (kg)
